Hi, Keith. Below is some information regarding our office location, transportation options and procedures for entering the Sam Nunn Atlanta Federal Center. The address is:

Region 4 Office of the Regional Administrator
Sam Nunn Atlanta Federal Center (SNAFC)
61 Forsyth Street SW.
Atlanta, GA 30303-8960
404-562-8357 (main)

Building Security/Time Allowance:

All visitors must check in at the main lobby security desk, which includes walking through a metal detector/being scanned and removing belts/shoes. Depending upon the number of visitors coming in for meetings with other agencies, sometimes going through security can take a while, so you should allow 15-20 minutes for checking in at the main lobby. Then you must proceed to our 9th floor receptionist to receive an EPA Visitor Badge. I will give the names you provided to our receptionist ahead of the meeting, but you will still need a picture I.D., so again, you'll want to build in a few extra minutes for that process as well.

There is a cafeteria located on the lobby level in the event you arrive early and would like to sit down and relax a bit before making your way to the 9th floor.

Transportation:

Taxi from Hartsfield-Jackson Airport to Downtown runs approx. \$34 one way.

MARTA rail service is \$2.50 one way. There is a stop very close to our building, Five Points Station. If you would like further information regarding MARTA, please let me know.

If you will have a rental car, you will want to turn off of Forsyth Street onto Alabama Street (there is a McDonalds at this intersection). Parking is located in the back of the SNAFC. Once parked, you would walk back up Alabama Street to the front of the building and walk through the courtyard towards the revolving doors.

If you have any questions, please give me a call on 404-562-8343 (direct). If you get my voicemail, you can leave a message or press "0" and someone in my office will answer.

Thanks for taking my call on Friday. I heard that you just got your briefing on Calvert City and that you will be meeting with Westlake separately on December 12th. In our phone conversation, you said that you would meet with PolyOne, if you denied a joint meeting. Who should I work with to set up the meeting with you and PolyOne?

Thanks!
